Dear Club Members,

Thank you for your contribution of \$1,000.00 to the Geauga Park District Foundation received on 10/27/2010. We are pleased that this gift has helped to establish the endowment fund for The Maple Highlands Trail. As Emilie Gottsegen has communicated to you, your organization will be mentioned as initiating this fund in the text that will be found on the Geauga Park District website, www.geaugaparkdistrict.org which relates to this fund.

Again, thank you for your partnership and for your 2010 contribution to help continue this important work.

Most Sincerely,

John C. Steigerwald, President
