Dear Ms. Heydorn:

On behalf of Cleveland Metroparks, I would like to thank the Cleveland Touring Club for its donation of \$250 in support of Cleveland Metroparks North Chagrin Reservation. The Cleveland Touring Club's continued support of Cleveland Metroparks and North Chagrin Reservation is greatly appreciated. This gift will help to support the purchase of a three-wheel bicycle to be used by the staff at North Chagrin Nature Center as an efficient way to travel and transport supplies throughout the reservation.

In appreciation of this donation, the Cleveland Touring Club will be recognized in Cleveland Metroparks *Emerald Necklace* newsletter published in February 2011 and the *Gift of Nature 2010* report published in March 2011. Please contact me at 216-635-3217 or kjk@clevelandmetroparks.com if you have any questions or would like additional information.

Yours truly,

Karen J. Kannenberg
